Please see reverse side for a reflective exercise for today's training.

TODAY'S OBJECTIVES - Please take a few minutes to consider the following questions throughout your time with us:

1. How do you plan to connect and re-connect with your peer educators today and after today?
 2. What short (1-2 sentence) advocacy message can you create to share with your community? We will use this during today's lunchtime activity.
 3. Thinking about today's training, how does it resonate with your current teaching practices?
